Thank you, so much, David for your logic and sincere empathy. This will help greatly.

It is still shameful that since the viewpoint directional signage posts & Vista "balding" we have 3 fires there where none were before. This will *not* solve the traffic problem.

I ask what will the city do when we run out of \$15K from Universal? It won't last forever.

Dear Neighbors:

Thank you for sharing all of this discourse with me. Heather's first set of photos showing the conditions at Deronda Drive and dirt Mulholland Highway are particularly illuminating. FYI:

Lake Hollywood Homeowners' Association (LHHA), in response to two recent night time arson fires that could have destroyed homes were it not for the fine service of LAFD, has hired a private night time security guard at the Vista point between 12/19 and 1/2 or 1/3, between the hours of 8PM and 3AM.

The security guard's duty is to prevent illegal smoking and other fire and safety infractions that could harm others including the adjacent community.

The security guard reports that the only time he leaves his post is when he needs to drive off site for a bathroom break, as there is no public restroom nearby.

Money was provided to LHHA for this security service by Universal Studios in the form of a \$15,000 donation designated for improved security in the area.

Best regards,

David

Thank you Heather for your very important update to the civil servants with regard to the letter to the LA City Attorneys office.

Sending best,

Mr Castro, Ms Dusseault et al.,

We have known for months that the big holidays in December would be a huge problem in our neighborhood, with unprecedented numbers of cars and pedestrians, in a severe high-fire hazard zone in a residential area that has no sidewalks; crumbling, narrow substandard streets. no regulation and no infrastructure.

DO YOU NOT SEE A PROBLEM HERE? The residents are UNABLE to get IN OR OUT OF THEIR HOMES.

These photos were just taken, on 25 Dec 2015, between 16:30-17:00, at the corner of "dirt" Mulholland and Ledgewood Drive.

We are (again) REQUESTING IMMEDIATE CLOSURE OF DIRT MULHOLLAND, as well as REDIRECTING ALL NON-RESIDENT TRAFFIC AWAY FROM CANYON LAKE DRIVE.

Perhaps you should be privy to this letter addressed to Mike Feuer:

<http://www.hollywoodlandgiftedpark.com/letter-to-city-attorney-michael-feuer/>

I have also CC'd the CA Department of Justice, as there is currently no law and order in the community under the Hollywood Sign. There is no regulation, no monitoring, no control. It is utter chaos and putting the residents and all of the visitors at risk EVERY SINGLE DAY.

Enough of this charade. Your alleged "extra enforcement" is quite obviously GROSSLY INADEQUATE.

Heather

The leadership for development and implementation of solutions for our community according to what we understand, based upon the city political structure falls on City Council and our CM David Ryu.

We must ask, however, where is our Mayor? Is Garcetti that disconnected from the city's mission to assure public
